Build Your Career at Valens Research**

Valens Research is a high-end boutique research firm headquartered in Cambridge, Massachusetts with our Asia headquarters in Metro Manila at PSE Tektite. Our clients include some of the largest and most successful investment firms, consulting firms, and corporations. We are recognized for revolutionizing how business performance analysis and valuations are conducted.

Our business and investment analysis utilizes some of the most advanced frameworks in the industry, many of which have been pioneered by our President & CEO, Professor Joel Litman (www.joellitman.com).

Our digital marketing, publishing strategies, and copywriting are as advanced as our financial analysis. Our marketing capabilities have been heralded as some of the best in our industry.

Compensation is highly competitive for the industry. Comprehensive benefits. Opportunity to work from home. Significant training opportunities.

Of note, our CSR efforts in corporate social responsibility are some of the most extensive of any firm our size in the Philippines. We are dedicated to our communities, and the Philippine people in several major community development initiatives.

This is your opportunity to work for a great firm, with a great sense of dedication to our employees and our communities.

Analysts in the Finance Career Accelerator “Apprenticeship” Program

Finance Career Accelerator (FCA) Program is the ONLY full-year career development program for finance graduates in the Philippines that provides hands-on experience with real-time analysis, real time data, and real investment situations.

The FCA Program requires participants to report to work on a regular basis since they are considered employees of the firm. This should be your primary work. You are welcome to have part-time jobs or sidelines for as long as those do not interfere with your work in this program.
